

Staying COVID-19 Secure

We confirm we have complied with the government's guidance on managing the risk of COVID-19

Covid-19 Visitors/contractors questionnaire

Have you been in contact with anyone in the last 7 days that have been positively diagnosed with Covid-19?

If Yes;

- Government guidelines recommend you self-isolate for 14 days from your last contact with this person.

Unfortunately, you will not be granted access to NGFE at this time.

If No;

Do you currently have any of the following symptoms or has any member of your household displayed them within the last 14 days?

- High temperature?
- A new and persistent cough?
- Anosmia – Change in sense of smell/taste?

If Yes;

- Government guidelines recommend you self-isolate;
- For 10 days from the first day **you** displayed symptoms.
- For 14 days from the first day **someone you live with** displayed symptoms.

Unfortunately, you will not be granted access to NGFE at this time.

If No;

- Please arrange your visit with your site contact as normal and complete the Covid-19 questionnaire once again upon arrival.
- **Please remember NGFE Covid-19 site controls;**

- 2m Social distancing always whilst on site
- Where this is not possible controls must be in place e.g. face covering
- Wash hands regularly for 20 seconds
- Use hand sanitiser where provided at communal touch points.
